- Toshiba high standard document quality at a print speed of up to 40 pages per minute on a broad range of media.
- Both models are designed to meet the highest environmental standards and have a low energy consumption, helping to save money and valuable resources.

TOGETHER INFORMATION™

READY WHEN YOU ARE

For your day-to-day business you need a reliable printer/MFP which delivers impeccable document output every time you print.

Toshiba's e-STUDIO409S & e-STUDIO409P offer just that. With print speeds of up to 40 pages per minute (ppm) and a fast first-print output time, these productive printers are ready when you need them.

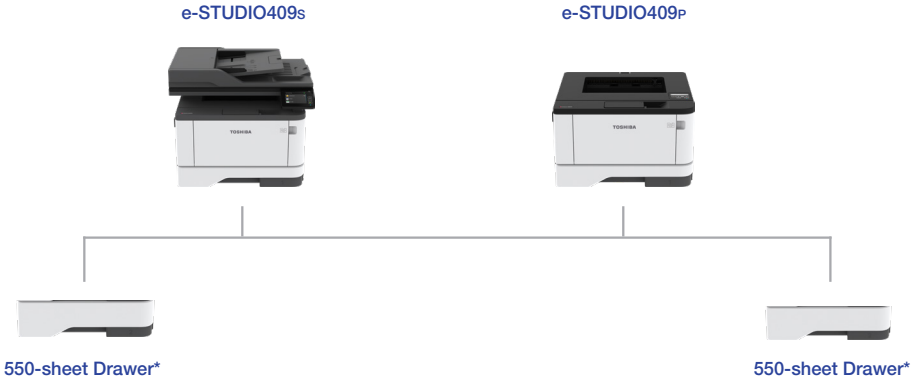

Easy to install and even easier to use, these high-quality devices are compatible with most operating systems. The mobile printing features and network capability of the e-STUDIO409S and e-STUDIO409P make them ideal for small to medium-sized businesses and workgroups.

High-level security features are available as standard, protecting the device from unauthorised access. To reduce the impact your business has on the environment, e-STUDIO409S and e-STUDIO409P offer optimised power consumption and various print and energy-save settings that can help you save valuable resources and money.

Contact your local Toshiba partner to find out more about the amazing value these devices have to offer.
