

INFORMATION SECURITY POLICY

Toshiba Tec Malaysia Sdn. Bhd.

being a leader in the Sales and Services of Printing and Retail Systems and Solutions in Malaysia, acknowledges that information security is critical in today's digital world, where data breaches and cyber attacks are becoming increasingly common. To protect our information assets and complying with all applicable laws and regulations, we are committed to:

Establishing and maintaining Information Security Management System to protect the information and IT assets in order to ensure business continuity, minimise business damage and maximise return on investments.

Ensuring the safety and availability of IT assets by managing IT security risks and establishing a secure IT environment.

Establishing accountability for acceptable and unacceptable use of the company's information, IT assets, supporting systems and processes.

Communicating the responsibilities for the protection of information to all employees including persons working on behalf.

Ensuring continual improvement of Information Security Management System through regular reviews and assessments.
