TCx® 820

All-in-One

FUTURE-READY POS FOR RETAIL SUCCESS

The Toshiba TCx® 820 All-in-One POS system is your gateway to the future of retail. Designed to meet the demands of an ever-evolving retail landscape, it delivers reliable, high-performance solutions that ensure fast, efficient checkouts—anytime, anywhere—while enhancing the customer experience.

With its sleek, sophisticated design, the TCx 820 is available in 15", 15.6", 19.5" and 24" options and can seamlessly complement any retail environment. Built to the highest retail-hardened standards, this next-generation POS solution provides the durability and flexibility retailers can trust for long-term success.

KEY BENEFITS

- **Compact Footprint**
- **Better Cable Management**
- **Scalable Connectivity**
- **Retail Hardened**

FEATURES

ELEVATE EVERY CHECKOUT EXPERIENCE

Designed with a perfect blend of style, durability, and cutting-edge technology, the TCx 820 delivers seamless checkouts, versatile deployment options, and enhanced shopper insights. Engineered to meet the demands of today's fast-paced environments, it ensures reliability, efficiency, and an elevated customer experience–all in a sleek, retail-hardened package.

KEY FEATURES:

- **Seamless Customer Experience:** Fast, efficient, and reliable checkouts with modern POS technology, enhancing customer satisfaction
- **Flexible Display & Connectivity Options:** Multiple screen sizes and all-in-one functionality with advanced IO connectivity to support various setups
- **Superior Craftsmanship & Durability:** Retail-tough construction meets rigorous standards, ensuring reliability in demanding environments
- **Sophisticated Design & Versatility:** Sleek, retail-hardened design fits seamlessly into diverse environments, from retail to hospitality
- **Enhanced Shopper Insights & Smart Features:** Built-in biometric capabilities including gesture control, eye tracking, facial detection, and smart functionality for better insights and engagement
- **Thoughtful Cable Management:** Clean, organized checkout areas with improved aesthetics and functionality

MAXIMIZE PERFORMANCE WITH VERSATILITY

TCx 820 is designed to deliver exceptional reliability, flexibility, and ease of use, ensuring seamless integration into any retail environment. Built to support long-term investments, it combines innovative features with unmatched serviceability to meet the evolving demands of modern businesses.

- **Reliability**
  Offers retailers unmatched installation versatility without sacrificing performance
- **Flexibility**
  Provides scalable connectivity by optimizing countertop real estate
- **Useability**
  Ensures compatibility with legacy peripherals without requiring any modifications
- **Serviceability**
  Solution provider that supports long-term investments in POS systems

BENEFITS

WHY CHOOSE **TCx® 820?**

TCx 820 is durable, versatile, and packed with features that will not only streamline your processes but also help future-proof your business.
